| GRUPO |
| H1    |

Descripción: MODULOS BLINDADOS HIS

PENDIENTE HOMOLOGACIÓN SIN SF6 EN APLICACIÓN REGLAMENTO (UE) 2024/573

| DENOMINACION MATERIAL     | CODIGO MATERIAL UFD | FABRICANTE       | CENTRO DE PRODUCCION | REFERENCIA                           | OBSERVACIONES |
|---------------------------|---------------------|------------------|----------------------|--------------------------------------|---------------|
| HIS 145 kV SB LINEA 1N    | 714674              | GENERAL ELECTRIC | (KASSEL-ALEMANIA)    | HYpact 145 kV SBB - Pos.linea 1N     | -             |
|                           |                     | HITACHI          | (LODI-ITALIA)        | PASS M0 145 kV SBB Linea 1N          | -             |
| HIS 145 kV SB TRAF0 PRIM  | 714675              | GENERAL ELECTRIC | (KASSEL-ALEMANIA)    | HYpact 145 kV SBB - Pos.trafo        | -             |
|                           |                     | HITACHI          | (LODI-ITALIA)        | PASS M0 145 kV SBB Trafo PRIM        | -             |
| HIS 145 kV SB LINEA 2N    | 872492              | GENERAL ELECTRIC | (KASSEL-ALEMANIA)    | HYpact 145 kV SBB - Pos.linea 2N     | -             |
|                           |                     | HITACHI          | (LODI-ITALIA)        | PASS M0 145 kV SBB Linea 2N          | -             |
| HIS 145 kV SB LINEA 3N    | 872493              | GENERAL ELECTRIC | (KASSEL-ALEMANIA)    | HYpact 145 kV SBB - Pos.linea 3N     | -             |
|                           |                     | HITACHI          | (LODI-ITALIA)        | PASS M0 145 kV SBB Linea 3N          | -             |
| HIS 145 kV SB ACOP        | 753164              | GENERAL ELECTRIC | (KASSEL-ALEMANIA)    | HYpact 145 kV SBB - Pos.acoplamiento | -             |
|                           |                     |                  |                      | PASS M0 145 kV SBB ACP               | -             |
| HIS 72.5 kV SB LINEA 1N   | 748624              |                  |                      | PASS M00 72.5 kV SBB Linea 1N        | -             |
| HIS 72.5 kV SB TRAF0 PRIM | 749595              |                  |                      | PASS M00 72.5 kV SBB Trafo PRIM      | -             |
| HIS 72.5 kV SB ACOP       | 753165              | HITACHI          | (LODI-ITALIA)        | PASS M00 72.5 kV SBB ACP             | -             |
| HIS 72.5 kV SB LINEA 2N   | 872496              |                  |                      | PASS M00 72.5 kV tipo SBB 2N         | -             |
| HIS 72.5 kV SB LINEA 3N   | 872497              |                  |                      | PASS M00 72.5 kV tipo SBB 3N         | -             |
